Thanks for all the fan letters you've sent me! Now I get to read things come by the book! It's really grateful for them.

Someone asked me recently if they could still write to me even after the series has ended. That's totally fine! Feel free to continue to write to me about *Shugo Chara!* Lolipop.

By the way, this collection is out, so new details will have started in *Shugo Chara!* October issue. I'd love to hear your comments. My website will be redesigned as well, so please check it out!

wedding.

W-2s

I don't want  
to do this, but  
it's for your  
own good.

Forgive me, (Bobby). We've got you under control off the spot.

What if you  
want to be  
kidding

Yes...

FOR OUR WEDDING

This isn't a fantasy, is it?

Ich-aaaa?

Ich-aaaa? Are you serious? Do you really love me?

I decided not to deny my feelings for you anymore.

Let me tell you how I feel.

I love you too, Roid.

Can't be... so...

I-Jare,  
this is...

Oh...?

But I  
always put  
your needs  
first!

...I don't say  
the right thing

Jare...

So let's live  
together.  
It'll be more  
convenient  
for us.

I got

Well...  
and so...

I'm so happy!

Because  
they will...

that much  
stronger...

Thank

...because my  
love will last  
forever!

I'll always  
be there...

No matter how  
many years  
pass...

# Preliminary Character Sketch Gallery

Here are my preliminary sketches for all the characters. It might be a bit too close to reality though.

NOTE: I'd like to see a lot of these characters in a story.
